How did you hear about us?

INSTRUCTIONS

- Complete and print out the form, then enclose it with your phone or iPod
- If you're paying by cheque, remember to enclose a cheque made out to Gadget Engraving.
- Pack into a padded postal bag.
- Print out the Freepost label and glue it to your package. No postage is required.
- Your package is fully insured when you send it to us and when we send it back to you. The insurance is invalid if the gadget is inadequately packed. You should obtain a Proof of Posting from your Post Office.

We'll engrave your gadget within two working days and send it back to you fully insured by First Class post. Return postage is free.
